

July 15, 2016

The Corning United board has agreed to extend the Fall registration early bird discount for another 5 days, to Wednesday, July 20.

The fall program is for boys and girls with birth dates in the following years: 2004, 2005, 2006, 2007, 2008, 2009, and 2010.

Some people have had trouble getting registered because we have a new registration system that is unfamiliar. So here are a few tips based on what others are experiencing:

1. Go to the <http://CorningUnited.com> web page and select the 'Register' menu item. Make sure it says 2016-2017 Registration at the top, and scroll down to the button 'Proceed to Register Online'. If you see the 2015-2016 Registration page, refresh your browser to see the new page.
2. After you press the 'Proceed to Register Online' button, you will need to create a new account and enter your contact information new.
3. When you register a player, the fee will show \$125, but the discount will be applied near the end so you will be billed the discounted fee. So continue on until you get to the review screen, and you will see the discount applied. If you have two or more players, there will be an additional sibling discount applied.
4. You will have a chance to indicate that you need a uniform during the registration process, and the price of the uniform will be added to the bill automatically
5. If the player is new to the club this season, you will need to upload a birth certificate or passport during the registration process so we can verify the player's birth date. You can scan the document to a file or take a readable photo of the document and upload that.
6. If you make a mistake you can edit the order at any time.
7. If you close out before you are done, you can continue the order when you log back in later.
8. If you still have trouble after following these tips, give me a call and I will help you out.

We encourage you to register now, for two practical reasons:

1. Some teams are getting close to their roster limits, and when they do we will place additional registrants on a Waiting List (no charge for that). If we get enough on the waiting list to make another team we will do it, or if a player withdraws that will make space for someone on the waiting list.
2. We will place our uniform order late next week, so if you need a uniform you need to get your registration in by the early bird deadline.
